ACTION REQUIRED: Reply to questions in paragraph 2.

1. Dr. @ OTTO has informed [] that UTILITY has designated the [] /OTTO link as the proper channel for KUBARK/UPSWING dealings on Subject. Chubb begged off a detailed discussion until he was fully briefed.

2. In the meanwhile Dr. @ OTTO passed the following questions to [] and requested a reply:

a. A certain Hedwig HEINE, Munich, Westermuehlstrasse 26/I has contacted Subject and UPSWING would like to explore her reasons for contact. However, they will not do so until they receive traces from us because they want to determine if she is PBPRIME supported. Traces, please.

b. They also would like to know if a (Dr.) Ralph WINGER of Los Angeles who has supported the Subject's family over the years is clean. Dr. @ OTTO's unexpressed suspicion would appear to be that Subject and his family have been RIS supported.
